An ISO 9001-2015 Certified Co.

## COMPANY PROFILE

**SEWEX** is a name synonymous with outstanding values and uncompromising quality. With an enterprising spirit and ability to discern future trends, SEWEX has become an integral part of India's advancement in the present century. Being a multi-activity, multi-technology, multi-location conglomerate with global footprints, SEWEX strives to empower the nation's growth through its market leading initiatives in the field of Industrial & automotive lubricants.

SEWEX pioneered the manufacture of lubricants & grease in India. For decades, SEWEX has been India's one of the technology leaders in motor oils and specially lubricants. The manufacturing plants is certified to ISO 9001-2008 Standards and are well equipped to cater to the country's requirement of automotive and industrial lubricants. No wonder, with its enhanced range of products that offer highest level of performance through leading edge application expertise, supported by qualified technical service. SEWEX today enjoys the pride of smothering the nation's growth.

ALWAYS USE **SEWEX** TO EXPERIENCE THE MAGIC OF PURITY

## DIESEL ENGINE OIL

### FLEET XXL PLUS

**15W40** API-CI-4+ (SYNTHETIC TECHNOLOGY)

FLEET XXL PLUS Meets the performance & compiles to viscometrics SAE 15W40. Specially designed for high performance low emission Diesel engines equipped with exhaust gas recirculation. It is blended with GROUP-II plus base stock and modern additive technology to provide the best protection for your engine.

**Features:**

- Excellent protection against high temperature deposits, ring groove, carbon deposit, piston, bearing and crank case sludge.
- Long oil drain period thus increase fuel economy.
- High performance anti-wear system provides excellent wear protection.

**PACKING:** 1L, 3L, 3.5L, 5L, 6L, 7L, 7.5L, 10L, 15L, 20L, 50L, 210L

SEWEX<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### TURBO PRIME

**15W40** API-CH-4

SEWEX CH-4 Diesel Engine Oils keep engine running reliably through a combination of high quality base stocks of high viscosity index with premium additive system. They are specially designed for heavy-duty diesel engines, and provide exceptional performances in terms of soot control, engine cleanliness and wear protection. SEWEX CH-4 diesel engine oils exceed API CH-4 specification and meet some major OEM's requirements,

- High efficiency detergency.
- Reducing carbon deposit.
- Avoiding blockage of engine filter.

**PACKING:** 1L, 3L, 3.5L, 6L, 7L, 7.5L, 8.5L, 10L, 15L, 20L, 50L, 210L

SEWEX<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### AUTO X PRIME

**15W40** API-CF-4

SEWEX CF-4 Diesel Engine Oil is blended from deeply refined high viscosity index base stocks with advanced package. SEWEX CF-4 Diesel Engine Oil. Suitable for direct injection diesel engines of heavy duty, high pressure turbocharged and large power, for large size power generation units, for domestic vehicle engines of heavy duty, durative running, for engines of large power engineering machinery working in heavy dust environment.

- Reducing carbon deposit.
- High efficiency cleaning ability.
- Keeping engine clean and reducing wear of engine.

**PACKING:** 500ml., 1L, 3L, 3.5L, 5L, 6L, 7.5L, 8.5L, 10L, 15L, 20L, 50L, 210L

SEWEX<sup>®</sup>  
An ISO 9001-2015 Certified Co.

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## DIESEL ENGINE OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## ULTRA-X PRIME

**20W40** API-CF4

ULTRA-X PRIME is an advanced multigrade engine oil designed for use in heavy duty engines. It is particularly recommended for use in tractors and agricultural equipment but may also be in trucks or other off-road applications where API CF-4 performance is required.

### Features:

- Protection against oil thickening and deposit build up in critical engine parts.
- Protection against wear and deposit.
- Reduced maintenance cost and lesser downtime due to better engine protection.

**PACKING:** 6L, 7.5L, 10L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## ENGINE GUARD

**20W40** API-CF/SF

ENGINE GUARD 20W 40 is a High Quality engine oil developed for Naturally Aspirated Diesel Engines. The product is made from the paraffinic base stocks and fortified with selected additives to deliver satisfactory performance in Buses, Trucks, LCVs .

- Reduces problem of oil thickening.
- Maintains optimum engine cleanliness.
- Easy starting even at lower ambient temperatures.
- Better thermal and oxidation stability.
- Longer oil drain period.

**PACKING:** 500ml, 1L, 3L, 5L, 6L, 7.5L, 10L, 20L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## DURA-X

**20W50** API-CF-4

DURA-X 20W50 CF-4 is a High Performance diesel engine oil meeting and exceeding API CF-4 standard and available in a shear stable viscosity grade. This lubricant has been developed as a long life oil.

It is particularly formulated from top quality, highly refined base oil together with advance-technology additives to provide reliable performance in the latest emission designs, as well as satisfying the needs of older engines.

- Mixed fleet capabilities.
- Exceptional low engine wear.
- Trouble free operation between long drain service intervals.

**PACKING:** 6L, 7.5L, 10L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## AGRICULTURE OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## HARIT PSO

**SAE-40 20W40** API-CD

HARIT PSO is heavy duty Pump Set Oils manufactured from highly refined based oils. It has special additive to provide anti-corrosion protection to engine internals during ideal periods. This engine oils is designed for both compression- ignition and spark-ignition type engines. It is proprietary branded product.

HARIT PSO is recommended for all types of Pump- Sets. The product is also suitable for other Agriculture and Farm Equipment like Tractor, Power tillers, harvesters etc.

- Protects engine from wear and Rust
- Easy starting even at lower ambient temperatures
- Higher levels of engine cleanliness

**PACKING:** 1.2L, 3.5L, 4L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## TRACTOR KING

**20W40** API-CF-4

TRACTOR KING 20W-40 is a high-performance multi-grade diesel tractor engine oil specifically designed for lubricating non-turbo and turbocharged diesel engines of tractors and other agricultural machines.

- Adapted to operate under high RPMs and high temperature (typical condition inside a tractor's engine)
- Ensures best engine performance under heavy load not only during farm applications but also while driving on the road
- Provides longer oil change intervals

Recommended for use in Mahindra and Mahindra, New-Holland, John Deere, Same Deutz, Tafe, Sonalika, Swaraj, Escorts, Force, HMT, Eicher

**PACKING:** 1L, 5L, 6L, 7.5L, 8.5L, 10L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## TRANS UTTO

**20W**

TRANS UTTO is a premium quality Universal Tractor Transmission Oil (UTTO) formulated from high quality hydrotreated base stocks and carefully selected additives, designed to deliver the best performance in transmission, hydraulic, final drive and PTO systems of modern tractors.

- Balanced lubricity and other functional properties.
- Unmatched performance in operation of wet-brake mechanisms.
- Minimizes clutch-plate wear and brake chatter.
- Provides excellent lubrication for gear box and transmission equipment.
- Minimizes wear in high pressure hydraulic pump systems.

**PACKING:** 5L, 10L, 20L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## PASSENGER OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## MAGNA PLUS

**5W30** API-SN/CI-4+

MAGNA PLUS 5W-30 oil is a common motor oil viscosity that's recommended by many auto manufacturers for use in all types of modern vehicles - passenger cars, SUVs & light vans including high-performance turbo-charged and supercharged engines. MAGNA PLUS Formula is an advanced passenger car motor oil Specially developed for high performance luxury cars powered by petrol or diesel. The same endurance tested technology that has powered numerous winning cars in the toughest of endurance races across the globe is used in formulating this, and thus it provides exceptional protection to the engine ensuring reliable lubrication even in the most demanding conditions.

**PACKING:** 1L, 3L, 3.5L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## MGO

**20W50** CG/SF

MGO 20W-40 CG/SF are essential for the longevity of modern engines as the oil needs to be capable of giving the best possible protection, when both hot and cold. Most modern oils are multigrades and you identify these as they will have an oil grade on the label along the lines of 20W-50.

Recommended for use MARUTI SUZUKI, HYUNDAI, TATA, ISUZU, MAHINDRA & MAHINDRA, FORCE MOTORS etc.

**PACKING:** 1L, 3L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## AUTO KING

**20W50** API SF/CF

AUTO KING 20W 50 is recommended for all types of autos, passenger cars and minivans running on CNG/LPG fuel. It can also be used in petrol engines to render satisfactory performance.

- Oil is suitable for use in all seasons and helps in reducing oil consumption
- Extended oil life due to excellent oxidation and nitration resistance
- Excellent high temperature lubricity, detergency & dispersancy, keeps the engine clean
- Perfectly balanced anti-corrosion, anti-rust and anti-wear properties
- Prevents ash accumulation and deposit formation
- Extended drain interval

**PACKING:** 1L, 3L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## TWO WHEELER OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### ZYNC+ 4T (SYNTHETIC BLEND)

**20W40** API-SN+ JASO MA-2

ZYNC+ 4T 20W40 is a high performance, synthetic blend technology four-stroke motorcycle engine oil developed to provide boosted engine cleanliness and protection for all types of Motorcycles.

**Features:**

- Enhanced engine life.
- Excellent load carrying capacity.
- Oil is catalytic converter compatible.
- Protect engine from wear & corrosion.
- Quick starting & prevent carbon deposition.

**PACKING:** 900ml., 1L, 1.2L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### PULSE+ 4T (SYNTHETIC BLEND)

**20W40** API-SM JASO MA-2

PULSE+ 4-Stroke Motorcycle Oil contains proprietary blends of premium base oils and advanced additive technology to help you achieve peak performance from your machine. The thermally stable formula helps maintain proper lubrication and protects engine under high RPM and high temperature conditions. It possesses optimal frictional characteristics for maximum power transfer, smooth shifting and proper protection of the wet clutch.

**Features:**

- Protect engine from wear & corrosion.
- Quick starting & prevent carbon deposition.
- High fuel efficiency.

**PACKING:** 900ml., 1L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### ADVANCE+ 4T

**20W40** API-SL JASO MA-2

ADVANCE+ 4T oils allow for optimum performance of 4-stroke engines under any and all conditions (continuous operation, brisk accelerations, etc...). They form a protective coating film which clings perfectly to metal parts and provides immediate protection in cold starts and accelerations; these oils are contamination resistant, and prevent gum and varnish build-up while offering exceptional resistance to high loads, oxidation, loss of viscos.

- Delivers more power & response
- Reduces engine noise & vibration
- Protects & prolongs engine life

**PACKING:** 900ml., 1L, , 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## TWO WHEELER OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### RIDE+ 4T+

**10W30** API-SL JASO MA-2

RIDE+ 4T+ 10W30 is an ideal oil for high-performance motorbikes. Even under stressful conditions, it helps ensure that your engine delivers high power and torque, improving control and comfort and enhancing the excitement and comfort of your ride. RIDE+ 4T+ 10W30 formulated with Active Cleansing Technology which helps prevent dirt particles sticking together to form deposit.

**Features :**

- Protect engine from wear & corrosion.
- Oil is catalytic converter compatible.
- Excellent load carrying capacity.

**PACKING:** 800ml., 900ml., 1L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### SIGMA+ 4T

**20W40** API-SJ JASO MA-2

SIGMA+ 4T oil is a premium quality engine oil formulated to high performance four strokes engine oils in 2 wheelers, motorcycle & scooter. This gives full protection over rust, wear & tear.

**Features:**

- High fuel efficiency.
- Protect engine from wear & corrosion.
- Oil is catalytic converter compatible.
- Excellent load carrying capacity.

**PACKING:** 900ml., 1L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

### POWER BULLET 4T

**15W50** API-SN JASO MA-2

POWER BULLET 4T 15W 50 is a premium quality motor cycle engine oil made to cater to the highly demanding lubrication requirements of modern 4-Stroke geared bike. POWER BULLET 4T 15W 50 is manufactured from the finest Group II base stocks and state of the art additive technology to meet the most stringent requirements of API SM as well as JASO MA 2 specifications. POWER BULLET 4T 15W 50 provides superior protection for engine, clutch and gears of the high powered Motor Cycles, especially those with engine displacement of 350 cc and above. The product helps you to derive the best performance from your bike all the time, while ensuring high engine durability.

**PACKING:** 2.5L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## TWO WHEELER OIL

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## SUPER 2T

### 2T OIL JASO FC

SUPER 2T OIL is a high performance, semi-synthetic blend technology Two-stroke motorcycle/scooter engine oil developed to provide boosted engine cleanliness and protection for all types of Scooters.

**Features:**

- Protect engine from wear & corrosion.
- Oil is catalytic convector compatible.
- High fuel efficiency.
- Excellent load carrying capacity.
- Quick starting & prevent carbon deposition.

**PACKING:** 500ml., 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## SHOCKER OIL

### FRONT FORK OIL

SEWEX Shocker Oil Is A Wide Spectrum International Quality Oil A High Quality Shocker Oil For Auto-industrial Shockers Extended Shocker Life Protection Against Rusting And Corrosion Excellent Shock Observer.

**Features:**

- Excellent Chemical Stability
- Excellent Seal Compatibility
- Low Pour Point
- Year Round Use In All Weather Conditions

**PACKING:** 175ml., 350ml.

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## BRAKE FLUID

### DOT-4

SEWEX BRAKE FLUID suitable for all Brake & clutch system where Automotive brake fluid is recommended.

**DIRECTIONS:**

- Refilling brake Fluid
- Brake fluid level should be checked after every 5000 km.
- Add SEWEX in master cylinder reservoir up to the topping point. Absolute cleanliness is essential when filling brake system.
- Do not permit this brake fluid to come into contact with the vehicle body work.
- It contains chemical which may damage the paint work.

**PACKING:** 100ml., 250ml.

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## GEAR GUARD

**85W140** API-GL5

GEAR GUARD 85W-140 are high performance, heavy duty gear lubricants formulated from high performance base oils and an advanced additive system. These lubricants are engineered for automotive applications including heavy duty axles and final drives where extreme pressures and shock loading are expected. They provide excellent performance where API GL-5 service is required.

- Heavy duty axles and final drives requiring API GL-5 level performance
- Passenger cars, on highway light and heavy duty trucks and commercial vehicles
- Off highway industries including: construction, mining, quarrying, and agriculture

**PACKING:** 1L, 5L, 10L, 20L, 26L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## GEAR GUARD

**80W90** API-GL5

GEAR GUARD 85W-140 are high performance, heavy duty gear lubricants formulated from high performance base oils and an advanced additive system. These lubricants are engineered for automotive applications including heavy duty axles and final drives where extreme pressures and shock loading are expected. They provide excellent performance where API GL-5 service is required.

- Heavy duty axles and final drives requiring API GL-5 level performance
- Passenger cars, on highway light and heavy duty trucks and commercial vehicles
- Off highway industries including: construction, mining, quarrying, and agriculture

**PACKING:** 1L, 5L, 7L, 10L, 20L, 26L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## GEAR SYNTH

**75W90** API-GL5

GEAR SYNTH is a premium, synthetic, heavy duty, multi-grade gear lubricant that meets API GL-5 service. Castrol Syngear provides excellent cold weather performance, outstanding stability under higher than normal operating temperatures, and substantial load carrying ability for cooler operation and longer equipment life. GEAR SYNTH is ideal for severe service environments and customers who want to extend service intervals.

- GEAR SYNTH contains 100% synthetic base stocks for outstanding oxidation control and thermal stability for improved fuel economy and longer equipment life.
- Premium additive package protects inhibits rust, corrosion, and wear to protect against premature bearing failure and gear tooth wear.
- Excellent shear stability protects against viscosity loss to safely extend service intervals

**PACKING:** 500ml, 1L, 20L, 210L

# SEWEX®

An ISO 9001-2015 Certified Co.

## GEAR OIL

SEWEX®  
An ISO 9001-2015 Certified Co.

## GEAR DRIVE

### EP-140 API-GL4

GEAR DRIVE is a high performance gear lubricant designed to provide effective lubrication in a wide range of automotive transmissions and axle drives where API GL-4 quality oils are specified. It is formulated from high quality base stocks and balanced extreme pressure additives to provide protection to gear components against wear and scoring. It offers protection against oxidation degradation and rust & corrosion. It meets API GL-4.

- Excellent thermal & chemical stability
- Protection against rust & corrosion ensuring longer trouble free protection
- Good performance even under extreme pressure & varying load conditions

**PACKING:** 1L, 5L, 10L, 20L, 26L, 50L, 210L

SEWEX®  
An ISO 9001-2015 Certified Co.

## GEAR DRIVE

### EP-90 API-GL4

GEAR DRIVE is a high performance gear lubricant designed to provide effective lubrication in a wide range of automotive transmissions and axle drives where API GL-4 quality oils are specified. It is formulated from high quality base stocks and balanced extreme pressure additives to provide protection to gear components against wear and scoring. It offers protection against oxidation degradation and rust & corrosion. It meets API GL-4.

- Excellent thermal & chemical stability
- Protection against rust & corrosion ensuring longer trouble free protection
- Good performance even under extreme pressure & varying load conditions

**PACKING:** 1L, 5L, 10L, 20L, 26L, 50L, 210L

SEWEX®  
An ISO 9001-2015 Certified Co.

## STEERING OIL

### TQ TYPE-A

ATF Type A is an automatic transmission fluid developed for the automatic transmissions and power steering systems of vehicles specifying use of General Motors TYPE A SUFFIX A quality fluids. The highly refined base oils and proven performance additives used in this oil provide enhanced thermal stability, frictional characteristics and rust & corrosion protection. It exceeds the performance requirements of General Motors TYPE A SUFFIX A specification.

- Provides good protection against rust and corrosion
- Good foam control leads to smooth gear shifting
- Compatible with all common seal materials

**PACKING:** 500ml, 1L, 20L, 210L

# SEWEX®

An ISO 9001-2015 Certified Co.

## HYDRAULIC OIL

SEWEX®  
An ISO 9001-2015 Certified Co.

## HYDRAULIC OIL

### AW-68/46/32 ANTIWEAR

HYDRAULIC OIL are high quality oils blended with highly refined base oils and carefully selected antioxidants, anti-corrosion and anti-foam additive.

- High viscosity index to restrict viscosity changes under pirating condition.
- Good film & anti-war properties to minimize good de mulsibility for quick separating of water.
- Suitable for circulation oil systems of machine tools
- High resistance capacity to corrosion & foaming.

**PACKING:** 5L, 10L, 20L, 26L, 50L, 210L

SEWEX®  
An ISO 9001-2015 Certified Co.

## HYDRAULIC OIL

### AWH-68/46/32 ANTIWEAR

SEWEX high performance hydraulic oils have been developed to operate under moderate to severe conditions across a wide range of industrial & automotive applications. They are well known to protect, lubricate and perform in the most efficient and effective way to ensure smooth operation and long service life of the hydraulic systems.

- High viscosity index to restrict viscosity changes under pirating condition.
- Suitable for circulation oil systems of machine tools
- High resistance capacity to corrosion & foaming.

**PACKING:** 5L, 20L, 50L, 210L

SEWEX®  
An ISO 9001-2015 Certified Co.

## INDUSTRIAL SPECILITIES

### 220/320/460

SEWEX INDUSTRIAL SPECILITIES is a line of exceptional performance, synthetic industrial gear oils designed to provide outstanding protection of gears and bearings, extended oil life even under extreme conditions, helping to enable problem-free operation of equipment and increased customer productivity. These scientifically engineered synthetic lubricants are formulated from synthetic base fluids that have exceptional oxidation and thermal properties and excellent low temperature fluidity. The high viscosity index of these oils deliver less change in viscosity with changes in temperature, enabling wider operating temperature range and improved low temperature startup.

**PACKING:** 5L, 10L, 20L, 50L, 210L

**SEWEX**<sup>®</sup>  
An ISO 9001-2015 Certified Co.

## GREASES

### PREMIUM RED GEL

#### NLGI-3

PREMIUM RED GEL Super Smooth Grease is a Premium quality extra Long Life Grease. Long run Interval. Transparent appearance. Suitable for all types of heavy vehicles. It enhances bearing life due to its unique anti-rust and anti-wear properties Better adhesion and tackiness High temperature grease with high drop point. Grease after usage should be properly disposed off to avoid any harm to the environments.

- Complete protection to anti-friction bearing.
- Thermo-oxidative and structural stability.
- Exceptional load bearing capability.
- Suitable for high temperature application (temp, range from 150-220°C).

**PACKING:** 500G, 1KG, 2KG, 3KG, 5KG, 7KG, 10KG, 18KG, 170KG

### APLR LONG RUN

#### NLGI-3

APLR ALL PURPOSE LONG RUN is a premium quality grease having a high value of drop point & structural stability. The quality material incorporated in the greases reduces friction and wear, thus enhancing component life and increasing re-lubrication intervals.

- Excellent de-mulsibility
- High oxidation stability
- Exceptional load bearing capability
- Complete protection to anti-friction bearings.
- Excellent rust protection and resistance to oxidation.
- Good water re-pellency. Good surface adhesion.

**PACKING:** 500G, 1KG, 2KG, 3KG, 5KG, 7KG, 10KG, 18KG, 170KG

### AP-3

#### NLGI-3

AP-3 GREASE is calcium based multi-functional, high temperature, water resistant all-purpose grease. It is manufactured from high quality base stocks, superior quality lithium soap and performance additives. This product is all-purpose grease of NLGI 3 consistency.

- Excellent de-mulsibility.
- Excellent rust protection and resistance to oxidation.
- Suitable for high temperature application (temp, range from 100-170°C).
- Good water re-pellency. Good surface adhesion.

**PACKING:** 100G, 200G, 500G, 1KG, 2KG, 3KG, 5KG, 10KG, 18KG, 170KG

# SEWEX®

An ISO 9001-2015 Certified Co.

## COOLANT

SEWEX®  
An ISO 9001-2015 Certified Co.

## COOLANT

### RTU (Ready to Use)

SEWEX Coolant is a ready to use automotive radiator coolant. The carboxylate formulation has a service life, RTU Coolant protects modern engine components from winter freezing and summer boiling. SEWEX is a ready to use radiator coolant with superior anti freeze & anti corrosive properties. SEWEX Coolant can be directly poured in the radiators of automobiles as it is in ready to use form.

- Effective control of corrosion.
- Easy water miscibility.
- Reduces air & foam in the cooling system.
- Anti-corrosion, anti-rust, properties.

**PACKING:** 1L, 50L, 210L

SEWEX®  
An ISO 9001-2015 Certified Co.

## COOLANT

### CONCENTRATE 1:6

SEWEX Heavy Duty Coolant is a new generation Radiator Coolant and Corrosion Inhibitor, specifically developed for IC Engines running in warm climate, thus not requiring Anti-freeze properties. Unlike the conventional anti-freeze radiator coolants, SEWEX Heavy Duty Coolant is based on Organic Acid Technology and hence, it has the potency of a prolonged service life.

- Effective control of corrosion.
- Easy water miscibility.
- Reduces air & foam in the cooling system.
- Anti-corrosion, anti-rust, properties.

**PACKING:** 1L, 50L, 210L
